INTEREST GROUP POLICY

This policy applies to all Interest Groups run by members of the Wentworth Point Probus Club Inc.

Interest Groups are set up for the benefit and enjoyment of members. Anyone wishing to join an Interest Group does so on the understanding that they:

- o accept personal responsibility for all aspects of their involvement in each group activity,
- o conduct themselves in a friendly and sociable manner, giving appropriate respect and consideration to other group members,
- o follow the reasonable directions of the Interest Group Convenor,
- o provide their own equipment and materials appropriate for the specific activity,
- o are fully responsible for the state of their health and will do all that is necessary so as to not place other participants under stress, duress or danger because of the state of their health or behaviour,
- o declare they are physically fit to participate in the activity and will advise the Interest Group Convenor or Leader if their state of health changes,

Visitors may be invited by members to participate in Interest Group activities. Visitors must adhere to the conditions listed above and also note that:

- o prior approval for any visitor's attendance should be obtained from the Interest Group Convenor, and
- o participation by any visitor will be limited to a maximum of 3 occasions during any one Club year.

Creation of the Interest Group must be approved by the Management Committee and the approval minuted.

A record of members and visitors attending an approved Interest Group must be maintained and any incidents, accidents or injuries recorded.

In the event of an accident or injury, the Interest Group Convenor will attempt to contact the person nominated by the participant and complete an Accident/Injury/Incident Report Form.
