2025 COMMITTEE ELECTIONS

March 2025 is our AGM where all 2024 committee members stand down and a new committee is elected. The current committee can, of course, be re-elected.

Our club cannot survive without volunteers, so please think about nominating. Please check out our current Management Committee chart on the "[About](#)" page. Scroll down to see who's who and what they do. If you're unsure about what each position entails, click on the button below the chart for a short description of each role. The descriptions are from the Probus HO Handbook.

Please think about any position you might like to give your expertise to and volunteer for or, with their permission, nominate another member.

To make life easier, there is a new interactive Nomination Form to the right of the Management Committee info. It is quick and easy to use.
