

Wentworth Point Probus Club Outing

HARS Aviation Museum Albion Park Monday 3rd August 2026.

\$75

The HARS Aviation Museum is an all volunteer group of Aviation Professionals and Enthusiasts who have premises at Shellharbour Airport (YSHL), Albion Park Rail just over an hour by road South of Sydney, New South Wales, Australia.

Whilst many here are active and retired aviation personnel, recent years have seen more and more people contributing their diverse skills. All someone needs is dedication and a love of aircraft and history.

The aircraft engineering capability of our members can be demonstrated by remembering that during the 1990s, they took a derelict Lockheed Super Constellation (Connie) from the Davis Montham aircraft graveyard and restored it from almost nothing to beautiful flying condition and flew it across the Pacific to its home here.

Morning tea and lunch is available for purchase at the Museum.

Meeting point details : Meet at the bus stop outside 27 Benelong Parkway (opposite Archery Centre) at 9.am. Drop off 3.30pm.

Banking details : Please pay your \$ each to the Probus Bank Account BSB 032 326 Account No. 160019. Description : Surname + Name of Outing.
